

## Job offer for Motion Graphic Artist

We are looking for a new colleague!

Vision Impossible is a creative company that designs visuals for big events in the Netherlands and abroad. We work for a variety of events; from dance events to corporate events, from concerts to innovative projects with projection and performance mapping.

We are looking for a new Motion Graphic Designer for our creative team!

You will be responsible for creating visuals for different occasions, such as concerts, dance events and corporate events.

You design animations and motion graphics for a variety of clients. You will go to events and learn how to mix the video images yourself.

Your work is diverse and you can design in different styles and themes, every design you make is innovative. You are ambitious, communicative, you work independently and have a commercial attitude.

The job is for 40 hours per week.

For this job it is important that you:

- Have a completed education in media or design
- Are good animator and designer in both 2D (Adobe AfterFX) and 3D (3DS Max or Cinema 4D)
- Have knowledge of graphical programs such as Photoshop and Illustrator.
- Have an impressive portfolio showing that you have your own style.
- Can work well both in a team and independently.
- Are accurate, well able to deal with time pressure and have an eye for quality.
- Don't have a 9 to 5 mentality.
- Have an affinity with music and events.
- Have an EU citizenship

We offer:

- A permanent contract (after the trial period)
- A competitive salary
- A nice working environment
- Creative and challenging work on exciting projects in events and entertainment.

Location: Wilgenweg 16C 1031 HV, Amsterdam-Noord

We look forward to receive your application on the email address below.
